Sponsorship Opportunities
For 12-month Period(s)

SAMGMA Mission

- SAMGMA is dedicated to improving the social, political and educational foundations of healthcare managers. SAMGMA directs its efforts toward the following goals as it works to accomplish its mission:
 - Foster a collegial approach to healthcare administration.
 - Promote members' interests and skills in education, networking and charity.
 - Assure education in the fundamentals of healthcare management.
 - Support collaboration and collegiality within the boundaries of our business.
 - Enhance diversity within the organization with regard to professional discipline, cultural background, and learning.
 - Help members to become leaders within their organizations and community.
 - Study, develop, and promote educational models that address the needs of our members.
